

## FEATURES

- Up to 35 amp Rating
- Light Weight
- Low Cost
- Durable Molded Design
- Custom Lengths Available

# SIZE MATTERS

## INTRODUCING THE MINI SLAVE CABLE

The mini slave cable was created to meet the needs of product manufactures seeking a low cost, low profile, low amperage alternative to other more expensive, bulkier connectors. The patented design of the mini slave cable gives manufacturers a light weight, compact and economical solution for their product requirements.

Part#	Rating	Desc.
GEISLV-LC10	35amp	10ft x 10awg
GEISLV-LC14	20amp	15ft x 14awg
